Dear Aurora customer:

Our records indicate that you are receiving curbside recycling service. Due to increasing operational costs, we will begin charging \$3.00 per month for this service, beginning June 1.

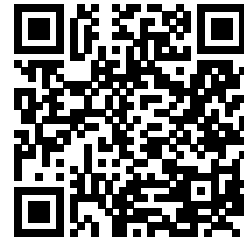

If you would like to cancel recycling service or our records are incorrect, please let us know. You can cancel or be removed from our list of recycling customers by scanning the provided QR code and filling in the necessary information. Or fill in the form below and mail it back to us.

Customers who cancel recycling service should set out their totes/bins each Tuesday in May until they are removed. It may take us several weeks to get everyone's bin picked up. Thanks for your patience.

To continue as a recycling customer, no action is required, but you will be charged \$3.00 per month on your utility bill, beginning June 1.

Thank you for your cooperation,

*Mid-Nebraska Disposal Inc.*

Scan this code or mail the form below to discontinue recycling service.

Fill out this form and mail to us if you want to discontinue recycling service. Or scan the QR code above to indicate your preference.
